

Team Lone Tree

Lone Tree School/Wheatland Charter Academy
Will Pre-Register Kindergarten/Transitional
Kindergarten Students for the 2013-2014 school year.

Team Lone Tree would like to welcome all our incoming students and their parents. We will begin registration for Kindergarten/Transitional Kindergarten on March 4, 2013. In order to be eligible for Kindergarten, your child's fifth birthday must fall on or before September 1, 2013. Children whose fifth birthday falls between September 2 and December 2 are eligible for our Transitional Kindergarten program.

Please be sure your child is up to date on all immunizations: children must have a TB skin test and be immunized for Rubella (German Measles), Mumps, Measles, Polio, Diphtheria, Pertussis (whooping cough), Tetanus, Varicella, and Hepatitis B prior to school entry. All students enrolled in Yuba County Schools are required to have a tuberculin test prior to entering kindergarten, and again prior to entering the seventh grade. Finally, all entering kindergartners must submit an oral health assessment (dental check-up) prior to May of 2014. These forms are available in the school office to take to a licensed dentist or other registered dental health professional.

Proof of birth is required in the form of a birth certificate, baptismal certificate or other legal verification in order to register your child. In addition to proof of birth and Immunizations, we will need to have proof of residency if you are living within our district, but not on the Military Installation (example: water bill, PG&E, etc.). If you are currently residing out of the Wheatland School District, you will need to obtain an Inter-District Agreement. An Inter-District Agreement needs to be initiated at the district of your residence. You may obtain one from your District Office or the school nearest your home.

Date	Event	Time	Location
